

## Directions To Oceans Echo

From the airport:

When you leave the Airport follow the signs for the N2 and Cape Town. You drive westerly along the N2 until you see the signs that indicate Muizenberg (M3). You need to turn off at the M3 and head south. You will see that the freeway ends.

At the end of the freeway ramp turn left. Drive along the Steenberg road taking the right lane. You will reach traffic lights where you will turn Right onto the main road. At this point you can continue along the main road and this will lead you all the way through to Fish Hoek.

Follow the road straight. Drive through the town along the main road until you come to a round-about. Turn left towards Simons Town. Travel along until you reach a set of traffic lights. Here you will turn right into High Way road towards the mountain. Take your first turn left into Echo Road and follow the road all the way until you are virtually at the end. Oceans Echo is a khaki colored, modern styled villa on the left hand sea side of the road.

You won't miss it!

From Cape Town:

Take the De Wael drive (M3) out of town direction Muizenberg. Follow directions from "At the end of the freeway".
